

Missouri University of Science & Technology --

Missouri University of Science & Technology (formerly University of Missouri - Rolla) is located in Rolla, Missouri, in the south-central Ozarks portion of Missouri. It is situated on the eastern side of Interstate 44, which runs from St. Louis, Missouri into Oklahoma.

- From St. Louis International Airport to Rolla:

Exit St. Louis International Airport onto I-70 West...
take I-70 West to I-270 South (Memphis exit)...
take I-270 South to I-44 West (Tulsa exit) to Rolla.
Exit at U.S. 63 (Exit 186), turn left and stay on U.S. 63 until you reach 10th Street...
turn right onto 10th Street, drive past the Gale Bullman Multi-Purpose Building and turn left into the entrance prior to reaching Allgood-Bailey Stadium.

- From Springfield, Mo. (and other points in southwest Missouri) to Rolla:

Take I-44 East to Rolla.
Exit at Bus. Route 44 (Exit 184), turn right and drive to Fairgrounds Road (next stop light)...
turn left onto Fairgrounds Road and remain on the road as it turns to the right past the UMR Golf Course and prior to reaching Phelps County Medical Center...after the turn, drive approximately one-half mile and turn right into the paved parking lot immediately past Allgood-Bailey Stadium.

- From Kansas City, Mo. (and other points in western Missouri) to Rolla:

Take I-70 East to U.S. 63 in Columbia (Exit 128)...
turn right and remain on U.S. 63 South until you reach the Rolla city limits just north of I-44.
Once in Rolla, remain on U.S. 63 until you reach 10th Street...
turn right onto 10th Street, drive past the Gale Bullman Multi-Purpose Building and turn left into the entrance prior to reaching Allgood-Bailey Stadium.

****SEE NOTE BELOW****

- From Columbia and Jefferson City, Mo. (and other points in central and northern Missouri) to Rolla:

Take U.S. 63 South until you reach the Rolla city limits just north of I-44.
Once in Rolla, remain on U.S. 63 until you reach 10th Street...turn right onto 10th Street, drive past the Gale Bullman Multi-Purpose Building
and turn left into the entrance prior to reaching Allgood-Bailey Stadium. ****SEE NOTE BELOW****

****NOTE****

*When traveling on U.S. 63 around Jefferson City, the highway will merge with U.S. 54 north of the bridge which crosses the Missouri River, then branches off on the south side of the bridge.
After taking the off-ramp to southbound U.S. 63, the highway will merge with U.S. 50. The road will branch off approximately 12 miles east of Jefferson City just past the Osage River, with U.S. 63 heading south at that point. Drivers should remain on U.S. 63 at all times.*

FOOTBALL: Games are played at Allgood-Bailey Stadium, located on 10th Street just west of U.S. 63. Capacity for the facility is 8,000, with a locker room facility located at the south end of the stadium. Parking for the stadium is located in the main parking lot; buses should drop the teams off in the parking lot at the southeast corner of the stadium, entering the main parking lot and driving behind the west grandstand to enter that lot.
